**DISTRIBUTED SWITCH/ROUTER SILICON ENGINE**  
Intel Matter No.: P-7781  
Disclosure Nos.: 12265, 12309  
Our Ref. No.: 81674-264196

Dear Mr. Hansen:

We are attempting to locate someone with your name who was an employee of Intel Corporation in Denmark and was an inventor of the above-entitled U.S. patent application.

Could you please let us know whether you were an employee of Intel Corporation in Denmark, and whether you had worked on the above-entitled U.S. patent application? My contact information is as follows:
